Feedback ...

"Dear Big Al, I have attended many clinics over the past seven years and yours was far and away the best. I implemented your approach for keeping the kids busy and involved during our first practice today. It was the best I ever had. Thanks!"
-Glen

"BIG AL - As a 1st time coach for my Sons T-ball team I found your clinic I and "training package" priceless. I will be using your skills to teach our little ones to be good players and on and off the field."
- Coach Aaron

I have always been concerned about how the young players are being taught the fundamentals of baseball; however after watching Al Price and his son Scott conduct their clinics around the country. I am convinced that the people who attend their clinics are being taught properly, and that makes me feel better about the future of the game.

Sincerely

Joe Morgan
